On regard to the loan work it will well night for 20 years. More will not be enough work every day for a hand to attend to in this section, except when the interest orders on the debenture loans have to be posted for payment. SIR,

Ref.- The appointment of a clerk on Rs.50-2-60 as personal clerk to the Honorary - President.

I have the honour to state that, till now, the clerk who was attending to Council Work was also attending to the correspondence, work in the President's Office. But the President states in his note (copy enclosed) that he is - finding it difficult to cope with the work, that he has to do without the assistance of a personal clerk, and that a clerk may be placed at his disposal. This work cannot be attended to by any of the existing staff, as all the clerks have heavy work to attend to daily. Therefore a proposal for the appointment of a new hand on Rs.50-2-60 was placed before the Municipal Council and they have approved of it, at their meeting held on 30-5-1942. Copies of the Office note and the Council resolution are herein enclosed for favour of kind reference. I request that sanction of Government may kindly be obtained for the appointment of a clerk on Rs.50-2-60 permanently as a personal clerk to Honorary President of this Municipality.

I have the honor to be,

Memo

The President is finding it difficult to cope with the work that he has to do, without the assistance of a Personal Clerk He has to do the needful on a number of petitions that are being presented to him daily He has to see that the suggestions emanating as the result of Joint Inspections are disposed of speedily and effectivey Numerous matters like the layouts, acquisitions etc , are hanging fire without a possibility of speedy disposal Of late, many decrees are being sent to him for partition as he is constituted a "**Court**" for this purpose under s 54 A of the Code of Civil Procedure Last but not least, the decisions and resolutions of the Council have to be communicated to the Government expeditiously and satisfactorily When they are directions to the Executive, he has to see that they are carried out All this necessary work can be done by the President well with the assistance of an able and experienced clerk. The Council clerk has his own work to do and cannot be expected to assist the President in all this work, as it is observed that he has much of his own work

Hence it is suggested that a clerk may be placed at the disposal of the President immediately. If the Commissioner sees his way to kindly place a clerk at the President's disposal immediately, it will be greatly appreciated If need be, it may thereafter go before the Municipal Council.

Re The appointment of a clerk on Rs.50-2-60 as Personal Clerk to the President

The President states that he is finding it difficult to cope with the work he has to do without the assistance of a personal clerk

Till now, the Clerk who was attending to Council work was also attending to the correspondence work in the President's Office As the work of the Council Clerk is sufficient for a whole-time clerk, the work of the President's Office cannot be satisfactorily attended to by him No other clerk can attend to this work as all the clerks in the Office have heavy work to attend to daily, as may be seen from the copy of the Work distribution memo herein enclosed The services of an able and a experienced official are required for the post As such, the appointment of a new hand on Rs 50-2-60 is quite necessary

After orders are received regarding the appointment of the new hand, Mr S R Bhombore will be posted to work as Personal Clerk to the President and the new hand entrusted with the work that is now being attended to by Mr S R Bhombore

Memo dated 6th August 1942 from the President, City Municipal Council, Bangalore to the Municipal Council

---

Government in their Order No L 556/Ml 10-41-153 dated 16th July 1942 have sanctioned the resolution of the Municipal Council to place the services of a clerk at the disposal of the President for working under him

They have also said that they are not in favour of the entertainment of a fresh hand on Rs 50-2-60

Accordingly, it has now been ordered that Mr S R Bhombhore should work as Personal Clerk to the Honorary President The loan work which he has been doing cannot be entrusted to others and therefore he has been asked to do the loan work in addition to the Personal Clerk's work

As this would involve very heavy work, Mr G Suryanarayana Rao, Attender on Rs 16/- in the Head Office, has been asked in consultation with the Municipal Commissioner, to work under Mr Bhombhore Mr Suryanarayana Rao is working in this Municipality for the past 15 years and he has been drawing Rs 16/- as Attender since about 5 years

It is therefore proposed that instead of creating a new post on Rs 50-2-60, a post onRs 20-1-25 be created for helping the loan clerk as well as Mr Suryanarayana Rao who may be appointed to the new vacancy

MUNICIPAL COMMISSIONER,
Bangalore City.

To

C. Narayanaswamy Naidu, Esq., B.A., B.L.,
SECRETARY TO THE GOVERNMENT
OF HIS HIGHNESS THE MAHARAJA OF MYSORE,
LAW DEPARTMENT, BANGALORE.

Sir,

With reference to your letter No. L.5951 Ml.10-41-192 dated 14-12-1942 enquiring about the feasibility of the arrangement suggested in your letter No. L.556/Ml.10-41-153 dated 16-7-1942 in regard to the distribution of loan work - amongst the existing officials, I have the honour to state that Mr. B. R. Bhombore who is now looking after the loan work had been specially deputed to the Comptroller's Office for a period of three months to receive training in the loan work and as such he alone is conversant with the said work. In the circumstances the loan work cannot be distributed amongst others as suggested. As Mr. Bhombhore has been asked to attend to the Hon. President's work it was thought feasible to give him an Assistant so that Mr. Bhombhore may attend to the loan work also in addition to the Personal clerk's work and the Council have accordingly sanctioned a fresh post viz., that of an Assistant on Rs.20-1-25 to Mr. Bhombhore.

I request that sanction of Government may be kindly obtained to the resolution of the Council copy of which was sent with my letter No. A5-C.1008/41 dated 30-11-1942.

I have the honour to be,
Sir,
Your most obedient servant,

Forwarded with compliments.

Municipal Commissioner.

Hon. Vice President.

No doubt that it was thought that giving an.

assistant to Mr S R Bhombore would make Mr Bhombore's work as a personal clerk to the president in addition to his duties. But still this can not be as efficient an arrangement as it would be if a separate clerk is given to the president, as suggested in the earlier Govt. order of 16 th 1942 As pointed out by the Government, the loans work has to be attended to only periodically when the interest orders on the debenture loan, are received, and have to be passed for payment. This can be done either by careful adjustment of work among the existing accounts staff, or by entertaining a fresh hand on a smaller pay. A clerk for whole time work under the president, is most beneficial Therefore I would suggest that the Government be pleased to consider the point from the above views, and pass suitable orders, before the new president takes charge of the office

Sir,

With reference to the correspondence ending with your letter No AJC 1008/41 dated 30.12.42 regarding the creation of the post vacated w.e.f. 20-1-43 to assist Mr Rhenthom, the town-clerk of the city Mcl office so as to enable him to attend to the duties of the personal clerk to the President I am directed to observe that the records show that the town-work has to be attended to only periodically when the interest orders on the debenture loan are received and have to be passed for payment and that there is not sufficient work to retain

To

Secretary to the Government of His Highness
the Maharaja of Mysore,
Law Department, Bangalore.

SIR,

With reference to the correspondence ending with your letter No L 7837/M1 10-41-195 dated 8th February 1943 calling for my views regarding the creation of a post of a clerk on Rs 20-1-25 to assist Mr S R Bhombore, the Loan Clerk of the City Municipal Offices, Bangalore, so as to enable him (Mr S R Bhombore) to attend to the duties of his Personal Clerk to the President, I have the honor to state that the whole question has to be considered now with the present shuffling of clerks in the Municipality Mr S R Bhombore who was formerly the Loan Clerk and the Personal Clerk to the President has since been posted as the Council Clerk in addition to his duties of the Loan Clerk of the Municipal Office, since February 1943 Since the work of the Council Clerk as well as the Loan Clerk is very heavy, for efficient discharge of his duties, he should be given two Assistants Clerks to assist him in each of the sections As a matter of fact at present he is carrying on the work of the Council with the assistence of one Mr B S Krishnamurthy, an A B L C who is drawing his pay as a menial The work in the Loan Section cannot be even periodically maintained with efficiency without an Assistant to him, for which a proposal was made in this office letter No A5 C 1008/41 dated 30th December 1942, seeking sanction of the Government for the creation of a post of an Assistant to the Loan Clerk on Rs. 20-1-25 Hence I feel that the necessity for creation of a new post on 20-1-25 is all the more greater as the present Loan Clerk, Mr S R Bhombore is doing the work of Loan Clerk as well as the Council Clerk I request therefore

that the proposal of the Municipal Council (dated 4-11-1942) including the posting of Mr.G.Suryanarayana Rao in that place may kindly be got sanctioned by Government as the said G.Suryanarayana has read up to VI Form and put in satisfactory and faithful se 16 years in this Municipality.

A separate reference is made regarding the sanction of a post of a Clerk to assist the Council Clerk.

I have the honor to be,
Sir,
Your most obedient servant,

V K Ramaswamy

Honorary President.
